SUBMISSION OF SUPPLEMENTAL DECLARATION

Assistant Commissioner for Patents
Washington, D.C. 20231

S I R :

Submitted herewith is a Supplemental Declaration which identifies therein prior Japanese Application No. 2000-184302 (filed in Japan on June 20, 2000), the priority of which is not being claimed. The previously submitted executed Declaration did not identify Japanese 2000-184302 thereon. The enclosed Supplemental Declaration is being filed in order to correct this informality in the previously submitted Declaration.

It is respectfully requested that the attached Supplemental Declaration be entered in the file.

Respectfully submitted,

Leonard Holtz, Esq.

THIRD REQUEST FOR REFUND

Director of the U.S. Patent
and Trademark Office

S I R :

The following four pages are copies of our original Request for Refund, dated July 10, 2002, and our second Request for Refund dated June 26, 2006 with enclosures. To date, we have not seen the \$400 credit for the two-month extension of time charged, in error, on March 7, 2002.

In response to the September 4, 2001 NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION, an executed Declaration was submitted with a Certificate of Mailing on October 30, 2001. Further, on January 2, 2002, a supplemental Declaration was submitted with a Certificate of Mailing. Copies of the returned receipt postcards, seen on the last page of this communication, clearly show that each postcard was date stamped as received by the USPTO on January 23, 2002. This is a USPTO error.

It is respectfully requested that the Patent Office now act on these Requests for Refund -- it has been almost seven years. The application has issued as USP 7,474,276. Kindly credit \$400 to the undersigned's Deposit Account 06-1378 without delay.

Respectfully submitted,

Leonard Holtz

SECOND REQUEST FOR REFUND

Director of the U.S. Patent
and Trademark Office

S I R :

Attached hereto are copies of our original July 10, 2002 Request for Refund (with enclosures), and the returned postcard verifying receipt. To date, we have not seen the \$400 credit for the extension of time that was charged in error on March 7, 2002.

An executed Declaration was timely submitted with a Certificate of Mailing on October 30, 2001. No fee for an extension of time was necessary. For some unknown reason, the USPTO delayed acknowledging receipt until January 23, 2002.

In addition, a supplemental Declaration was submitted with a Certificate of Mailing on January 2, 2002, and curiously, the postcard was returned with the same date stamp of receipt -- January 23, 2002. Copies of the postcards are attached.

It is respectfully requested that the Patent Office now act on our nearly four-year old original Request for Refund by crediting the \$400, charged in error, to the undersigned's Deposit Account 06-1378.

Respectfully submitted,

Leonard Holtz

REQUEST FOR REFUND OF
ERRONEOUSLY CHARGED FEE

Hon. Commissioner of Patents
and Trademarks

S I R :

It is respectfully requested that the Patent Office refund
the amount of \$400.00 which was erroneously charged on March 7,
2002 against the above-identified application. Attached is a
photocopy of our March, 2002 MONTHLY STATEMENT OF DEPOSIT ACCOUNT
showing the erroneous charge thereon (highlighted in yellow).

(Control No. 4, Fee Code 116).

The erroneous charge was for a two month extension of time
for submitting an executed Declaration. However, the executed
Declaration filed on January 23, 2002 (mailed with a Certificate
of Mailing on October 10, 2001) was timely forwarded to the
Patent Office and no extension of time should have been charged

CERTIFICATE OF MAILING

I hereby certify this

States Postal Service with

Office, Washington, D.C. 20541 on

Attorney: Leonard Holtz

necessary fee is not paid

therefor. The second executed Declaration, also filed on January
23, 2002, but mailed with a Certificate on January 2, 2002, was
supplemental to the first submission mailed October 30, 2001, and
was filed so as to identify the original Japanese Application in
the Declaration. The first executed Declaration, forwarded to
the Patent Office on October 30, 2001, with a proper Certificate
of Mailing, was timely and fully responsive to the Notice mailed
September 4, 2001.

In view of the above, it is seen that the extension charge
of \$400.00 against the present application was erroneous, since
the executed Declaration was timely mailed to the Patent Office
with a Certificate of Mailing on October 30, 2001, but was not
"received" by the Patent Office until January 23, 2002.

It is respectfully requested that the Patent Office credit
the March 7, 2002 erroneous charge of \$400.00 to Deposit Account
No. 06-1378.

If the Examiner has any comments, questions, objections or
recommendations, the Examiner is invited to telephone the
undersigned at the telephone number given below for prompt
action.
